THOMAS QVALE

Biography

Thomas Qvale was born amongst fashion magazines, and his passion for photography has been with him his whole life. His father is well known as one of the best fashion photographers in Norway, and it is safe to say that photography is in his DNA.

He is a technically ambitious photographer, and has learnt the tricks of the trade himself and from photographers that he has assisted. Thomas is versatile, has a great eye for detail, and is proud to call himself a perfectionist.

He has worked with clients like The Journal, BikBok, ELLE, Cubus, J. Lindeberg, KK and NAKD, and he has directed numerous fashion films, music videos and commercials.
